

A land of lakes and trails ready for the perfect fall getaway.

COLWELL LAKE is 145 acres with boat access. Camping, fishing, picnicking and hiking are other popular recreation activities at Colwell Lake. Renovated in 1993, the area meets most current Americans with Disabilities Act Guidelines. Electricity, water hydrants, a dump station, picnic ground, lakeside path, and skid pier have been added.

You will find at **WIDEWATERS CAMPGROUND** the opportunity to pursue whatever activities you desire whether it be canoeing, fishing, hiking, or just camping in a peaceful, quiet environment.
