

*It is time to Make More Memories  
when you visit Manistique*

*Grandparents*

Take out your photo album and find your photos from summer vacation back in the day. Why not revisit your favorite Manistique places and see the improvements?

Bring the grandchildren and make more memories.

You may remember visiting the Manistique Light. Come again this summer and see the

breakwall and beautiful boardwalk for easy walking along the beach, perfect for walking hand in hand and making more memories.

Does your photo album include the cabins you may have stayed at? Well, check out [modern lodging](#) where the grandkids may enjoy making memories.

## *Families*

Manistique offers [much to do](#) for all ages including parks, water activities, sports and more. It is the best place to visit this summer to make more memories.

[Summer festivals](#) and activities are perfect for making more memories with the family.

## *Couples*

What is more romantic than a bonfire on the beach? or star gazing? or experiencing the Northern Lights?

What are you waiting for? Share making more memories on your social media accounts.

[Daytime memory-making activities](#) can include canoeing and kayaking, hiking and biking and just enjoying nature.

This summer will be a perfect time for a visit.
