

It is time to take a fantastic fall tour of the central area of Michigan's Upper Peninsula. Start by settling in to [lodging](#) using Manistique as your home base.

You may have been to some of the [area attractions](#) before, but now is the time to visit them again while experiencing the full color beauty of autumn.

### ***Trip 1***

#### ***Head east and enjoy the sunrise.***

1. Take US 2 along the lakeshore, with the Seul Choix Point Light and Gulliver Lake as your destinations.
2. In 2017 US 2 was designated a US-2 Top of the Lake Pure Michigan Byway. As it hugs the picturesque northern shoreline of Lake Michigan stop at pull offs to capture its outstanding scenic qualities.
3. [Gulliver Lake](#) is one of four lakes in Gulliver. There is a public boat launch and fishing for walleye, pike, panfish and more.
4. [Seul Choix Point Light](#) posted hours and tours.  
Through mid October 10:00 a.m. - 6:00 p.m. Seven days a week  
(depending upon availability of volunteer tour guides)  
Private groups tours upon request.

## ***Trip 2***

### ***Head West on US 2***

First stop is a turn North on M149 at Thompson to the [Thompson Fish Hatchery](#)

- Interpretative signage and self-guided tour
- Informative, short video to watch that explains the hatchery and how it operates
- Outside buildings with fish for viewing begin to open in September and continues into May
- Show pond filled with large trout

After Thompson head West on US2 to Garden Corner, then South on M183 to [Fayette Historic State Park](#). There you will find unmatched scenery and enjoy a picturesque walk back in time.

## ***Trip 3***

### ***A longer road trip.***

Follow this route - take M94 north to M28, turn east to M77, turn south and return to Manistique along US2.

You will be going by the [Hiawatha National Forest](#), [Seney](#)

[Wildlife Refuge](#), Germfask (where you will find a rather new, unique tourist attraction, [Benny the Beard Fisher](#)), to Blaney Park.
